Admiral Stansfield Turner  
Director  
Central Intelligence Agency  
Washington, DC 20505

Dear Admiral Turner:

This is in reply to your letter of October 31, 1977, concerning your space needs for 85,000 square feet in Northern Virginia. The General Services Administration (GSA) has been working with your Real Estate and Construction Division in an effort to satisfy this requirement.

Your requirement was originally received by GSA on January 11, 1977. Immediately thereafter, GSA went on the market for the space within the delineated area. No offers were received and your space request was returned asking that you re-submit your request in a larger delineated area. By letter of September 13, 1977, your revised space request was received.

In recent months, it has become necessary to impose constraints on further acquisitions of space in the Metropolitan Washington area. We are therefore unable to take action on your request at this time.

However, you may be assured that your request will receive a high priority at such time in the future as it may be possible for the General Services Administration to lift those constraints.

Your understanding in this matter will be greatly appreciated.

Sincerely,

  
J. A. SOLOMON  
Administrator
